When lighting is equal parts aesthetics and function, fixtures become art. At Mainely Shades & Lighting, you will find a wide selection of top-of-the-line lighting from quality manufacturers such as Currey & Company, Visual Comfort, and more. From installation pieces to wall sconces and table lamps, our showroom has lighting options for every home. And our design-center quality means you won't need to travel out of state to find those high-end pieces your clients want. Come and experience the beauty and artistry of fine specialty lighting for yourself. Our experienced staff and lighting design experts will help you select the perfect handcrafted table lamp or distinctive wall sconce to complete the look of your project.
